Institutional Academic Policies

Registration & Placement: Cohort seating is strictly limited to 12 students to guarantee interaction. Upon confirmation of tuition (via 4 monthly installments or a single full payment with 10% savings—with zero registration fees or seat deposits), students are granted immediate access to the diagnostic placement evaluation. Course textbooks and their accompanying digital practice licenses are processed separately upon cohort placement.

Attendance Standard: To preserve academic rigor and qualify for the final certification of level completion, a mandatory minimum of **80% live attendance** is required. Missed instructional hours due to federal holidays must be compensated via autonomous assignments within the LMS portal.
